RAMMED TRUCHET

NICOLA HENDLER

DIGITAL STRUCTURAL DESIGN

TRUCHET ?

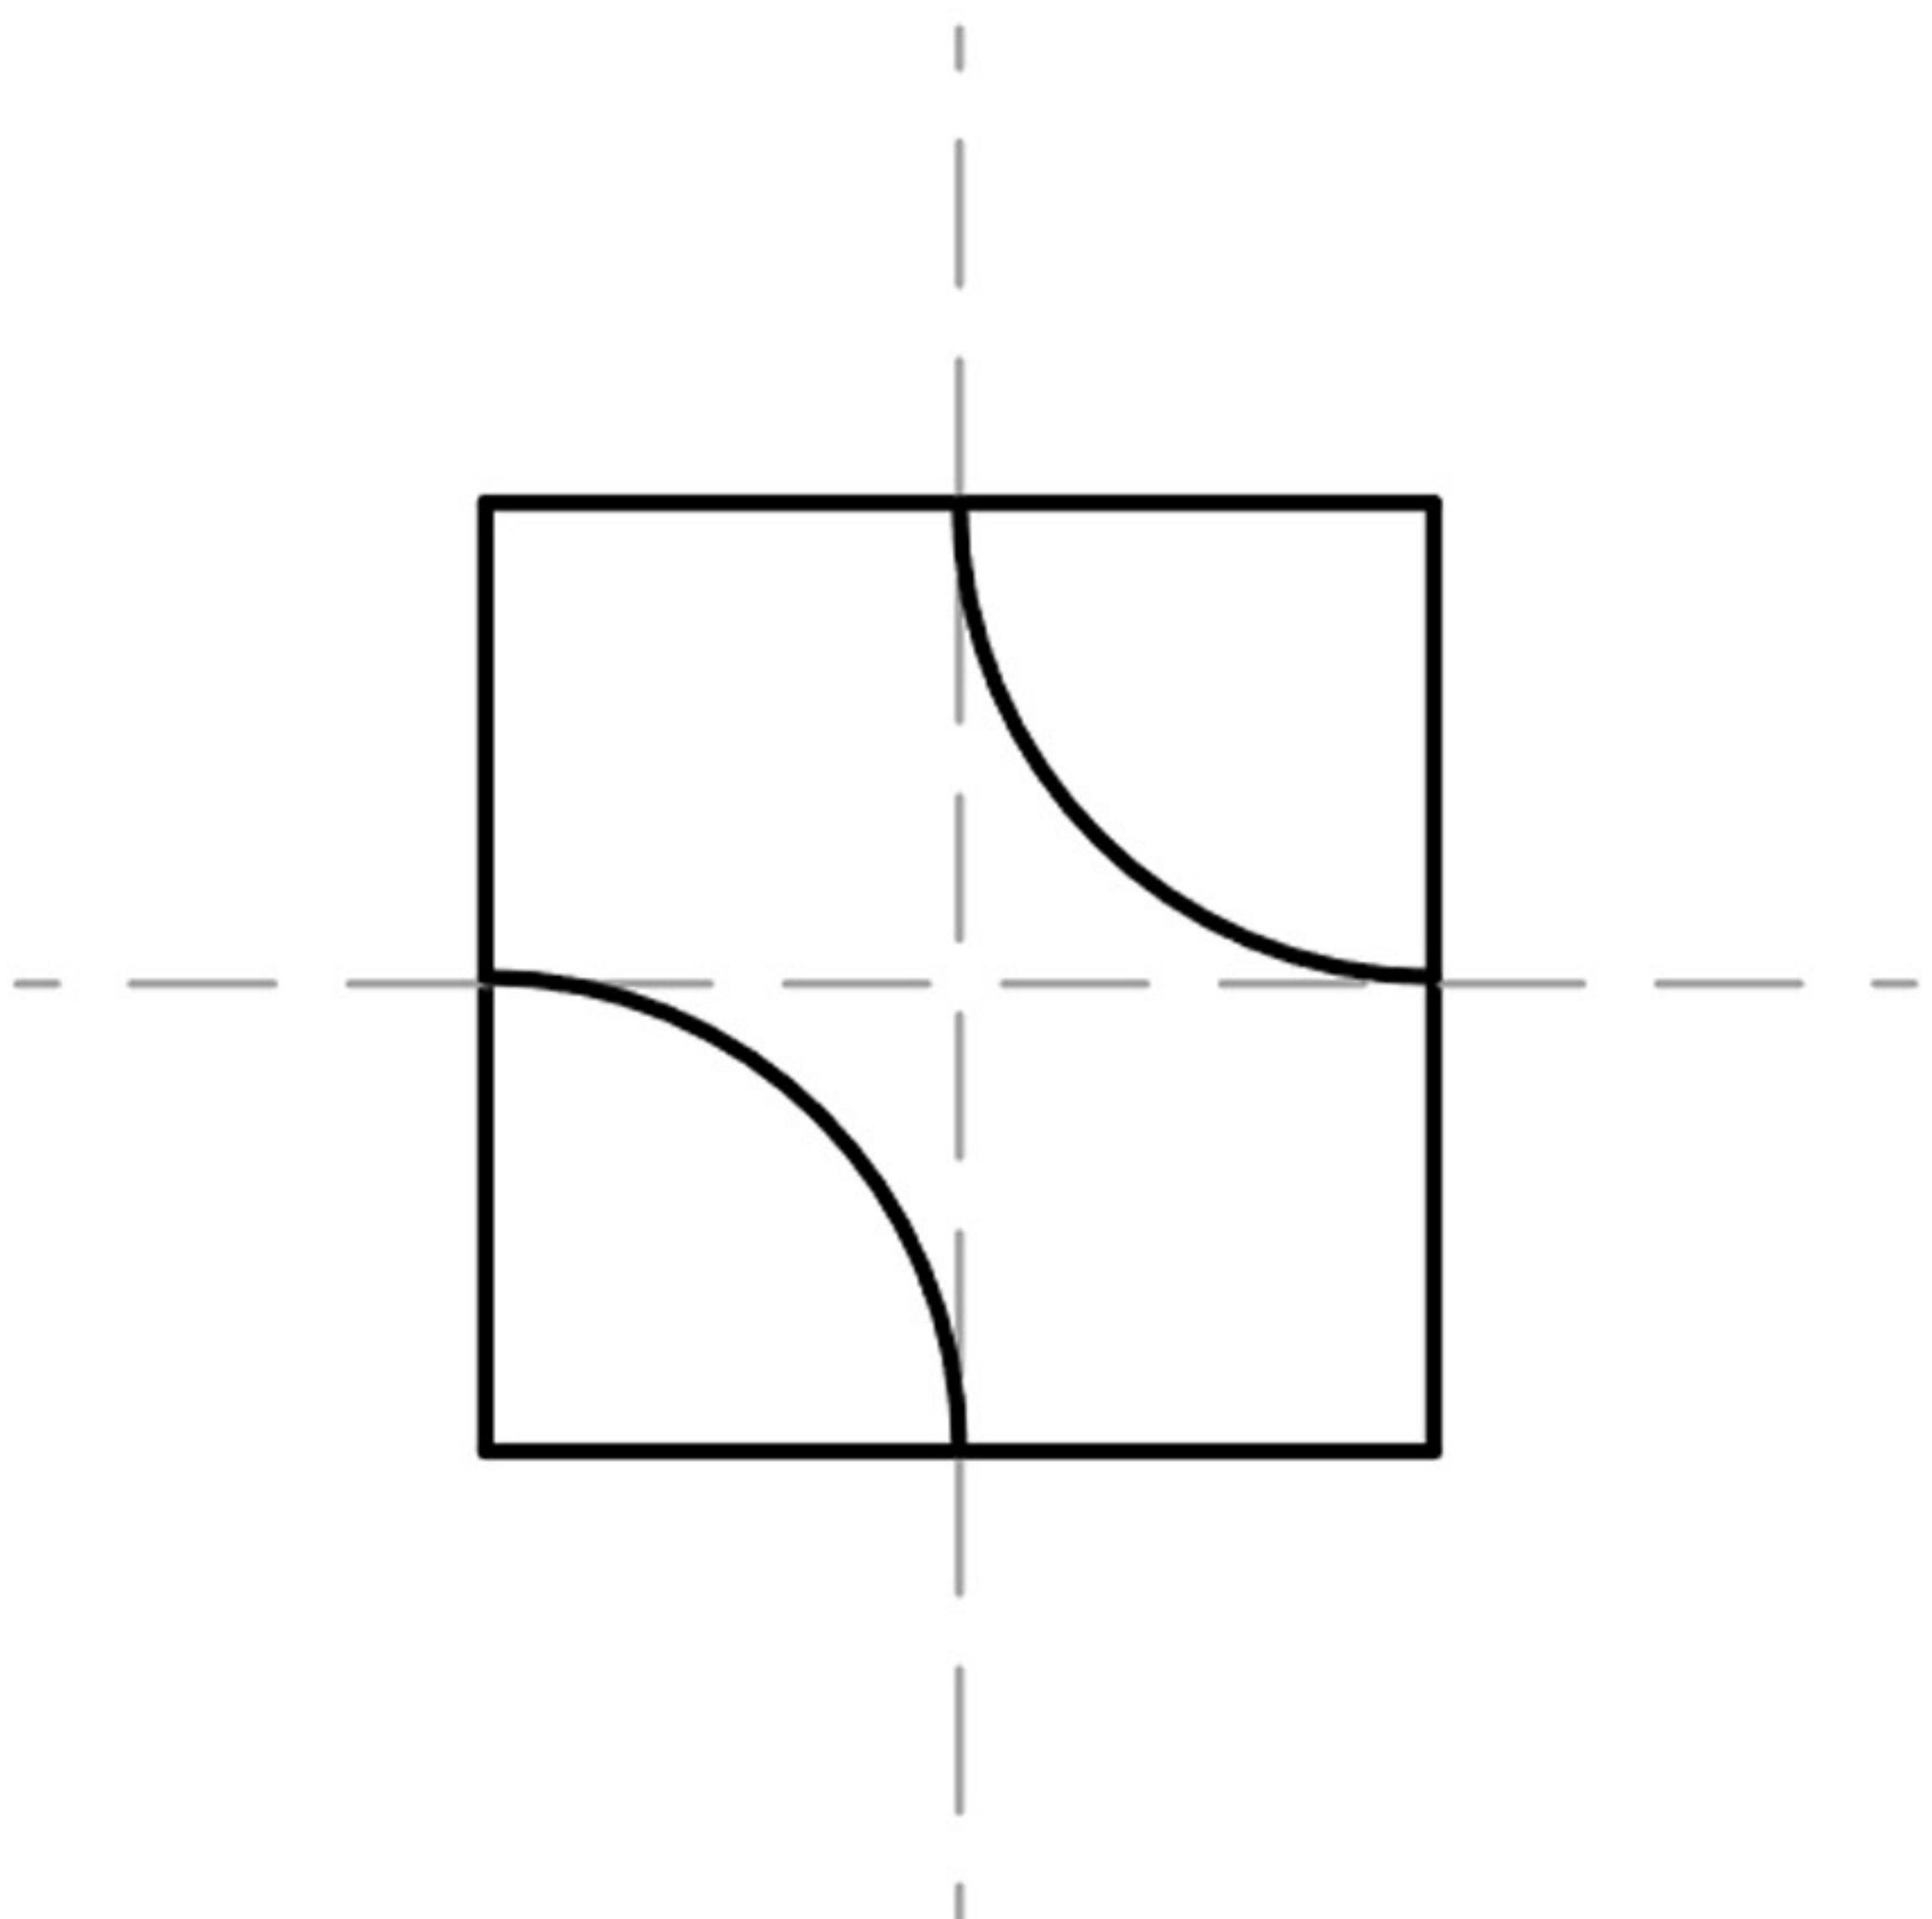

A dark, high-contrast portrait of Sébastien Truchet, showing his head and shoulders. He has short, wavy hair and is wearing a dark, high-collared coat or robe. The lighting is dramatic, coming from the side to highlight his face and the texture of his hair.

SEBASTIEN TRUCHET

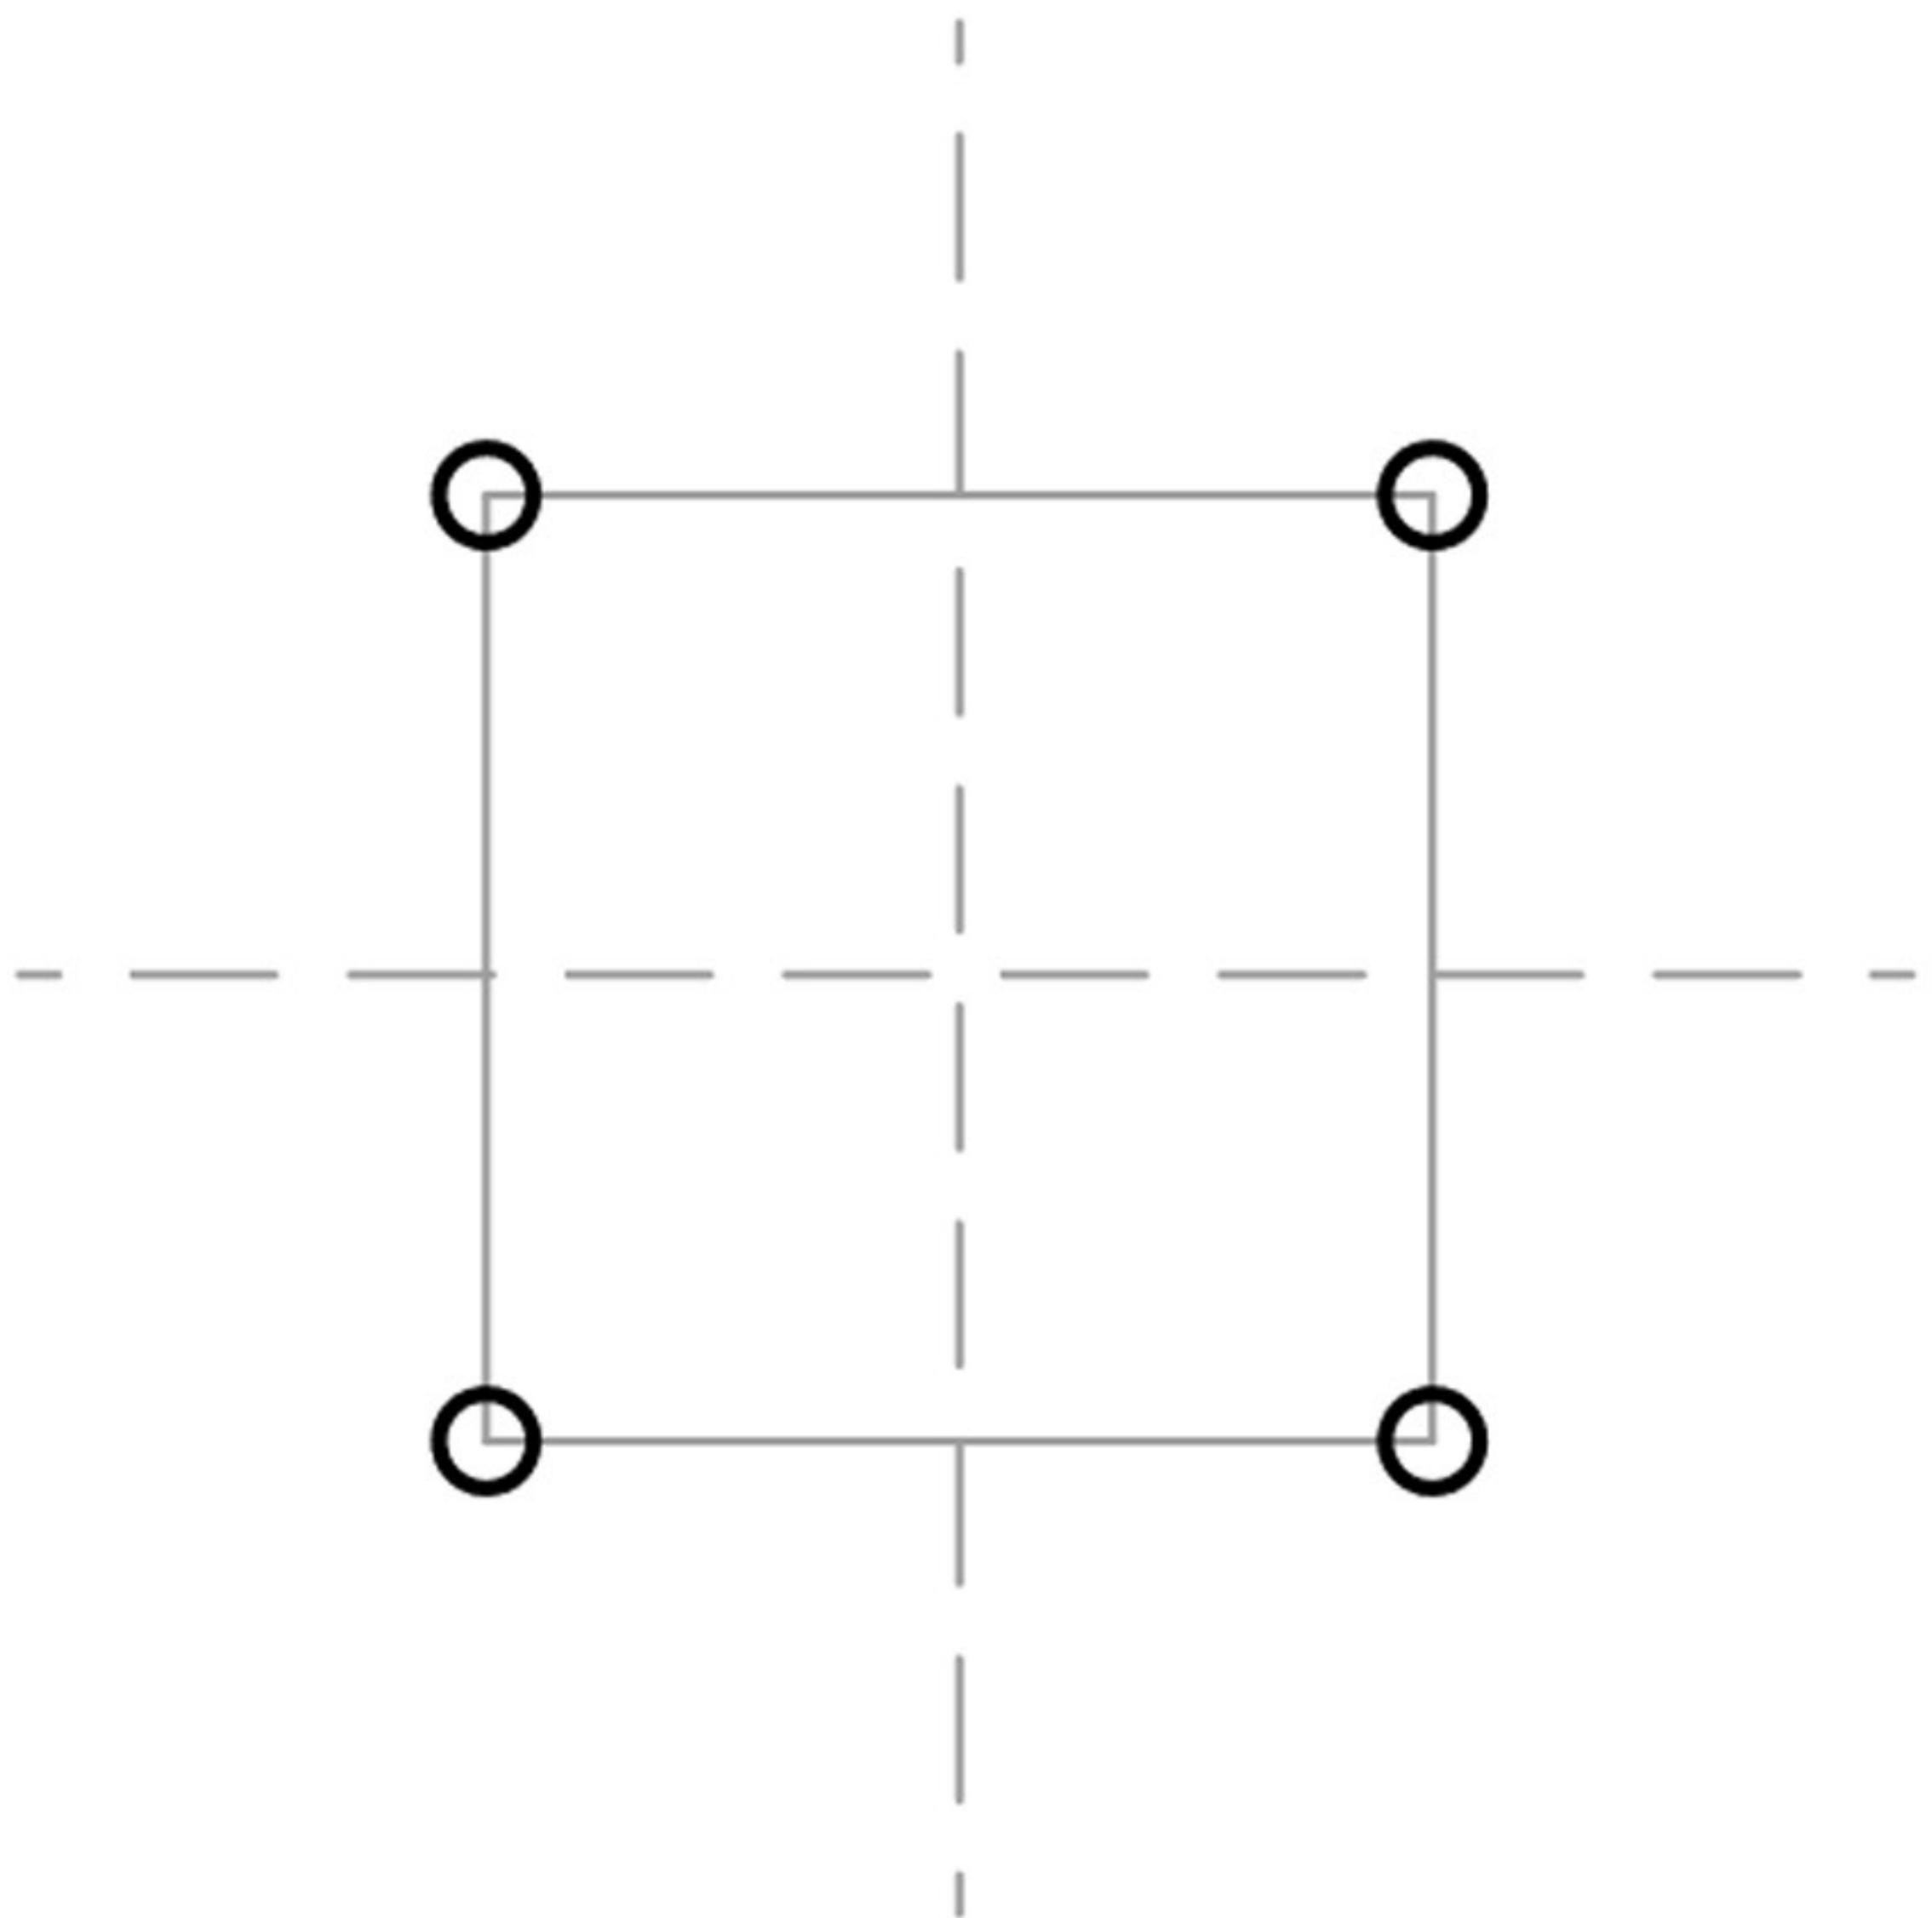

1657 – 5 February 1729

französischer Architekt und Mathematiker
